## INSTRUCTIONS

- Find homes that match the features listed in each square.
- Once you find a home that matches a square, write the **house address** in that square.
- When you've **completed a full line** in any direction - **vertical, horizontal, diagonal** - fill out the contact info below and drop it off at any of the **show homes** or **upload it at [pohyxe.ca/bingo](http://pohyxe.ca/bingo)** to be entered to win!
- Each square in the line must be from a **different home** (you can, however, mark off multiple boxes on your card at one home, as long as you aren't using more than one in your winning line).

## WHAT CAN I WIN?

\$100 prize package for local businesses in Saskatoon. One awarded each week of the parade.
