Welcome to the 2017 Parade of Homes!

The Saskatoon & Region Home Builders' Association (SRBHA), the voice of the residential construction industry in Saskatoon for over 60 years, is proud to present the 2017 Parade of Homes. With 28 homes and 16 builders, this year's Parade is our largest ever, and we can't wait for you to see what this year's builders have to offer!

The homes in this year's Parade do a great job of reflecting the diverse range of offerings in Saskatoon's new home market. There's a home to fit every stage of life, whether you're single and looking to purchase your first home, starting a family, upgrading to your forever home, or downsizing for retirement.

There are plenty of great reasons to visit the Parade of Homes. Maybe you're looking for a new place to begin the next stage of your life, looking for inspiration to update your current home, or just want to see the newest trends in design and home building.

As you start looking at the homes, both on paradeofhomesonline.ca and in person, keep an eye out for the "Certified Professional Home Builder" badge. The

SRBHA works continually to improve the professionalism of Saskatoon's residential construction industry through ongoing training and certification, and the builders who have worked hard to complete the Certified Professional Home Builder program have demonstrated that it's important to them too. Your home is where you should feel most comfortable, and knowing that the builder who built your home values safety, ongoing education, and professionalism goes a long way to helping people feel safe and secure in their homes from the very beginning.

So enjoy the beautiful homes in this year's Parade, and remember - these homes are here for you to look at, to try on, and to explore - visit as many as you can, and have fun!
